Shortage of doctors and para medical staff

1589. SHRI RAJEEV SHUKLA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government has conducted any survey to find out the shortage of qualified doctors and other staff in the medical profession;

(b) if so, the details thereof; and

(c) how the Government proposes to tide over the current and impending human resource shortage in the medical profession?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI GHULAM NABI AZAD): (a) and (b) No. However, as per information furnished by Medical Council of India? allopathic doctors population ratio works out to 1:1584 approximately. In addition there more than six lakh practitioners of Indian system of medicine and Homoeopathy. Taking all these number together, the doctor population ratio comes to 1:860 approximately.

(c) The Government of India has proposed the following steps to meet the growing need of medical professionals:-

(i) Medical Council of India Regulations are reviewed with regard to land requirement, teacher-student ratio and Introduction of public-private partnership which will facilitate starting of more medical colleges.

(ii) The National Rural Health Mission has been operationalised with the aim of providing accessible and reliable primary health care facilities especially to poor and the vulnerable section of the population.

(iii) Establishment of Auxiliary Nurse Midwifery (ANM) and General Nursing and Midwifery (GNM) schools m those districts which are not having both these training programmes.

(iv) Establishment of post graduation Nurstag (M.Sc Nursing) Institutions.

(v) There are 908 Pharmacy Institutions with an intake of 54133 students per annum and a new namely Pharm. D of 6 years duration from 2008-09 academic session as registerable qualification under the Pharmacy Act has been introduced.

Leprosy eradication
